Dear Members of the Senate Health, Education, Labor, and Pensions Committee:

The 15 undersigned organizations write to express our support for Crystal Carey to serve as General Counsel of the National Labor Relations Board (NLRB). Carey is well-qualified to serve, and we urge her quick confirmation.

Throughout her career, Carey has shown both understanding of and dedication to upholding the National Labor Relations Act (NLRA). She spent nearly a decade serving her country at the NLRB. Since leaving the Board, Carey has represented employers in collective bargaining negotiations and on matters before the NLRB and federal courts.

For these reasons, the undersigned organizations urge your support for Crystal Carey's nomination and recommend her swift confirmation.

Sincerely,
